REMEMBER ME ROSE GARDEN ANNOUNCES CAPITAL CAMPAIGN KICKOFF

April 25, 2011 – "Remember Me" Rose Garden (RMRG) is proud to announce the kickoff of its capital campaign designed to fund the second and third phases of the Flight 93 Garden located near Shanksville, PA. The garden site is located on 14 acres, on Route 30, across from the Flight 93 National Memorial Park. The land was donated by the Families of Flight 93 to establish a "living" tribute to the Heroes of Flight 93 and all who died on September 11, 2001.

Sue Casey, President of "Remember Me" Rose Garden stated, "from the moment 'Remember Me' came to me on September 26, 2001; there was never a doubt it would become a reality. The fulfillment received when you work on 'Remember Me' Rose Garden cannot be explained. It is about giving of yourself to do for others. The inaugural address of the late President, John F. Kennedy in which he stated, 'My fellow Americans: ask not what your country can do for you—ask what you can do for your country', has never meant so much as it does now".

The fund raising plan allows for participation by anyone. Visitors may give a free-will donation at the site, purchase a rose bush, fund Hero Rose Beds, benches or entire theme gardens.

Clay Mankamy, Vice President and Director of RMRG Flight 93 Garden, near Shanksville, welcomes your participation in this historic effort. It is our goal to build one of the most meaningful rose gardens in our nation. The centerpiece of the garden, in the shape of a compass rose, will be visible from over 30,000 feet. The compass rose, pointing North, South, East and West will symbolically direct air travelers to the site, where the heroes of September 11 gave their lives.

"Remember Me" Rose Garden is a 501 (c)(3) nonprofit, tax-deductible organization. Please visit our website at www.remember-me-rose.org, for additional information.

Dear Friends of Flight 93,

The family members of the fallen Heroes of Flight 93, have generously donated 14 acres of property, to be used to honor their loved ones and all who died in the attack on our nation on September 11, 2001. "Remember Me" Rose Garden (RMRG) is a 501 (c)(3) non-profit, tax-deductible organization, dedicated to honoring the memory and spirit of the 2,982 people who died. This garden, containing a rose bush for each person who lost his or her life on September 11, 2001, began last year and remains our focus today.

With the help of many volunteers, a hedge of 270 Knock Out roses was planted, marking the entrance off Route 30. Clearing of the 14-acre garden site, road and footpath around the property, is nearly complete, with plans to plant more roses this spring. (See enclosed layout and press release).

Our nation must never forget the sacrifices made and lessons learned on September 11, 2001. In building the RMRG across from the Flight 93 National Memorial Park, we demonstrate to the world beauty can rise up from ashes. This promises to be one of our Nation's most meaningful gardens.

Please examine the enclosed material and complete the donor form or go to our website at www.remember-me-rose.org, indicating your desired level of involvement in this historic undertaking. With your donation, you and your loved ones will be honored before the tens of thousands of visitors for many generations to come. Ten percent (10%) of contributions to RMRG, over and above expenses, will be given to the Flight 93 National Memorial Park maintenance fund. Thank you for your time and consideration.

God Bless You and Yours,

From The Board of Directors of "Remember Me" Rose Garden - Flight 93
